

# Appendix E — Continuing Education Units

Acquisition employees may meet professional association or organization continuing education requirements by taking DAU sponsored courses. DAU is a member of the International Association for Continuing Education and Training (IACET), a nonprofit membership organization of over 650 organizations and individuals involved in continuing education. As such, DAU is an authorized provider of Continuing Education Units (CEUs), which measure continuing

education participation for many professional associations and organizations. The following table provides the CEUs for each DAU sponsored course, which may be applied toward professional requirements. For updates, consult the online DAU Catalog at <http://www.dau.mil>.

CEUs are not measures of academic credit. See Appendix F for DAU courses eligible for academic credit.
